**Faculty Development Programme on  
ENTREPRENEURSHIP**

---

Dear Sir

The educational institutions have an extraordinary talent pool with virtually limitless potential to become entrepreneurs and therefore the institutions should work to create the right environment to develop business builders.

In this context, it becomes imperative for academic and research institutions to inculcate the spirit of entrepreneurship amongst the students so that they can contribute positively to economy and benefit themselves and the society.

To equip the faculty to meet this objective, PSG-STEP is conducting a faculty development programme on Entrepreneurship from May 2-14, 2005.

The programme is sponsored by National Science & Technology Entrepreneurship Development Board (NSTEDB), New Delhi and therefore a nominal fee of Rs.1,000/- being charged for the 2 week residential programme for the first 20 participants.

We request your institution to take advantage of this opportunity by nominating a faculty for the programme

The relevant brochure and registration form are enclosed.

Thanking you

Sincerely

A handwritten signature in black ink, appearing to be 'P. Krishna Rao'.

Prof P. Krishna Rao
